

TURTLE PLASTICS

THE RECYCLED PLASTICS COMPANY

HoofTurf®

Slip-Resistant, Anti-Fatigue Modular Flooring

**5-Year
Replacement
Warranty On
Standard Tile!**

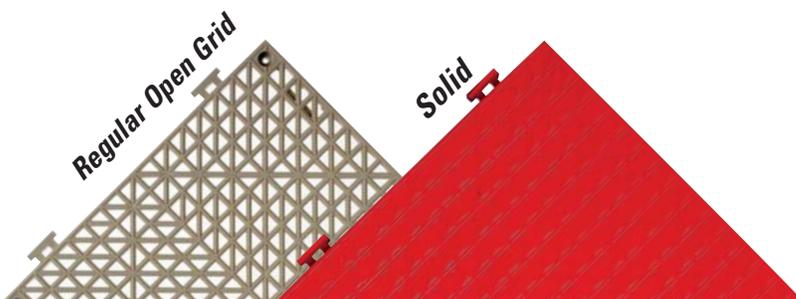

Great for dirt or concrete stalls. Modular squares can fit any shape providing a safer, easier-to-maintain environment for your animals.

Prevent white line disease and thrush! Hoof Turf Modular Flooring helps keep stalls dry!

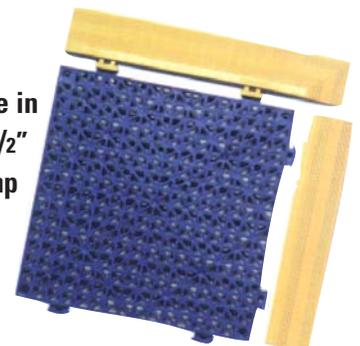

For All Equine Areas Including Stalls, Wash Racks, Trailers, Aisles, Breeding/Collection Areas

Features & Benefits

- Slip-resistant surface protects against injuries from slips and falls
- 3/4" thickness lessens leg fatigue
- Available in open grid, solid, or Grit Top® surfaces
- 12" x 12" tiles can be trimmed to fit any area; modular design allows you to create a surface of any length, width or shape
- Tiles snap together; also available preassembled
- Footed bottom of tiles keeps animals elevated and out of water and urine
- Provides a cleaner, more sanitary environment for animals and reduces bedding material and maintenance costs.
- Portable—the same tiles can be used in a stall, in a trailer, and at the show
- Lightweight—easy to assemble (and disassemble for spring cleaning); no more "wrestling matches" with heavy rubber mats
- Non-absorbent PVC plastic resists damage from barefoot or shod feet, and is resistant to animal wastes and chemicals
- 2 1/2" or 6" wide ramps provide smooth transition from tile to floor surface.

Regular Open Grid Tile in Blue With 2 1/2" Safety Yellow Ramp

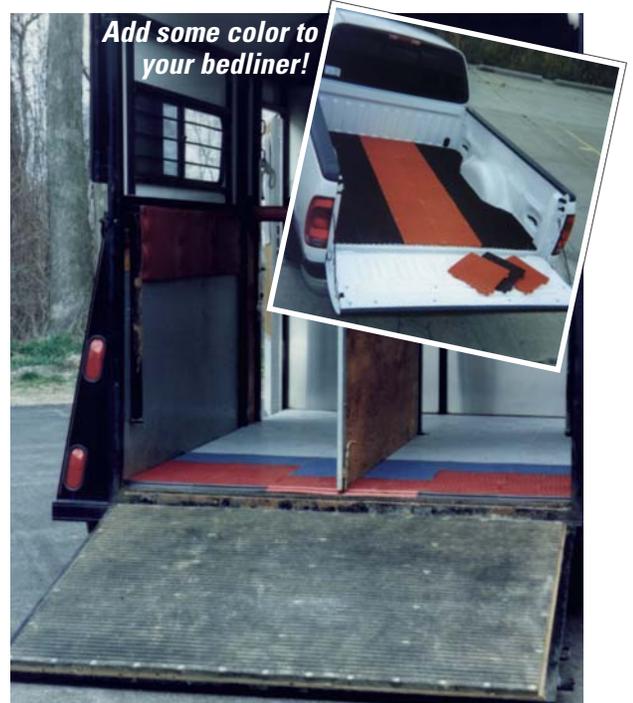

Hoof Turf®

Slip-Resistant, Anti-Fatigue
Modular Flooring

Excellent drainage at wash rack areas, indoors or out!

Protect trailer floor and provide secure footing!

Easy enough for the kids to assemble!
