Paw Pads™ are perfect for holding cages and transport cage floors.

Paw Pads™ are ideal for indoor/outdoor runs. Keeps animals from direct contact with hard, damp surfaces.

Paw Pads™ are a great solution for potentially slippery floors around bathing stations.

12" X 21/2" edge pieces provide smooth transition between floor and tiles. 12" X 12" squares, 3/4" thick or 1/2" thick.
