

# TURTLE PLASTICS

THE RECYCLED PLASTICS COMPANY

**NEW!**

# Wedge It®

**NEW** from Turtle Plastics, these nearly indestructible plastic sprinkler wedges are superior to traditional wood. Gripper edges keep wedge in place, and recycled plastic construction means they won't soak up water or break. High visibility yellow makes retrieval easier, and can be used again and again.

We've added a handy pre-drilled hole to accommodate the addition of your choice of lanyard for fast, easy retrieval.

### USE AS A:

- SPRINKLER WEDGE
- DOOR WEDGE
