TURTLE PLASTICS

THE RECYCLED PLASTICS COMPANY

**TURTLE PLASTICS™**  
THE RECYCLED PRODUCTS COMPANY

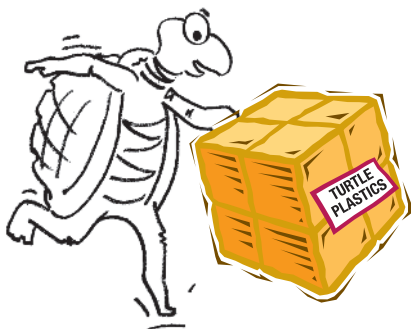

## STEP ONE SELECT A PRODUCT

Choose a product for industrial matting and business entrance matting applications. Made from 100% recycled PVC plastic.

## STEP TWO PRODUCT END-OF-LIFE

Return your used product to Turtle Plastics for a credit.

Your old materials are cleaned, ground, treated for contaminants in an environmentally safe process, and re-formed into new matting.

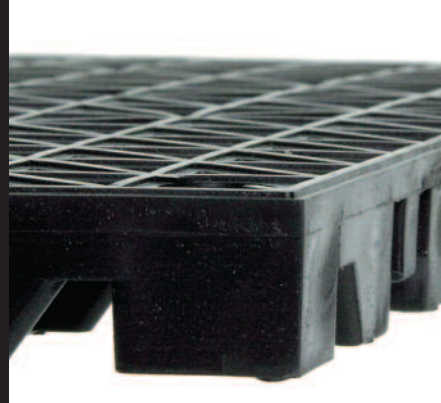

## STEP THREE YOU WIN!

Use the credit we issue to save money on purchases of additional matting. Your used Turtle products are cleaned, ground, and re-molded into new products.

## PRODUCT RETURN GROUND RULES

- 1) First, email us at [tom@turtleplastics.com](mailto:tom@turtleplastics.com) with details about your returnable product(s).  
You must have an RGA number to return materials.
- 2) Turtle Plastics will buy your used products at pricing published weekly in PLASTICS NEWS for the value of the recycled plastic.
- 3) Customer will ship used materials prepaid to Turtle Plastics, where it is ground, treated for contaminants in an environmentally safe process, and re-formed into new matting.  
This important step saves you landfill costs, and helps our environment.
- 4) Use the credit we issue to purchase a Turtle Plastics product that fits your needs.
- 5) Your new purchase will be of equal or better quality than the used, returned item(s).
- 6) New purchases will be competitively priced.
